

2005-06 Merit League results

After the most competitive season so far congratulations go to **Evesham 2nd XV**, again as champions of the Merit leagues. Congratulations also go to **Old Halesonians 3rd** & **Kidderminster 3rd** as winners of the 2nd and 3rd divisions respectively.

With the inclusion of Woodrush 2nd in next seasons competition, and to even up the divisions two clubs will be relegated as proposed at the start of the season, but three will be promoted from the 2nd and 3rd division.

A full breakdown of the season's events and structure for next will be published at the end of the month in Trevor's end of season newsletter.

Thanks to all the clubs for participating, engaging in friendly rivalry and trying to complete all fixtures. We hope that next season proves to be equally as competitive.
